**To the People of Lee County
And All Our Neighbors in
Surrounding Counties**

Each member of the Sanford Lions Club is eagerly looking forward to having you with us throughout the week of the 1979 Lee County Agricultural Fair. We not only want you as an attendant, we also want you as a participant.

In recent years, our Lee County Fair has received State recognition as being one of the very best. This attainment was reached by the cooperation and support of the people of the County along with the planning and work of our club members. You, the people, have had numerous and varied displays in keeping with present-day changes.

Our club is a non-profit organization and the monies received from the fair are reverted right back into our area. Our blind and needy have long been assisted by our club, and we have now broadened our scope of assistance to include those who have problems in hearing and speaking.

We invite you to carefully read the exhibit listings in our catalog and follow through in displaying your talents in all possible categories.

Please help us make the 1979 Lee County Agricultural Fair one that will long be remembered in the hearts and minds of our people because of the needs that we were able to fulfill.

Very sincerely,

SANFORD LIONS CLUB

James O. Bridges, Jr.
President
